DESIGNER TILES

ARCHIPELAGO SERIES

Sebagai negara kepulauan, Indonesia dikenal dengan kekayaan budaya yang beragam dan teknik kesenian yang unik. Warisan inilah yang menjadi sumber inspirasi tak ternilai dalam dunia desain dan arsitektur.

Menjawab kebutuhan masyarakat modern dan para profesional desain, Roman mempersembahkan Designer Tile: Archipelago Series — koleksi ubin yang terinspirasi dari keindahan budaya, seni dan alam Nusantara.

Dirancang untuk memperkuat karakter ruang, seri ini merefleksikan nilai-nilai autentik Indonesia dalam estetika yang elegan dan kontemporer.
